How to Request a High School Transcript from VCS

1. Transcript Documentation Form - Please complete all of the following data for your student on the forms provided and send documentation to verify each course. Every blank is important and must be completed to date! We understand that current courses/grades may not be available.
 2. Course Documentation - If a course was taught and completed at home by a parent or tutor, the following information must be provided to document the course for your file. The parent or tutor must submit the following information for each subject on the "Home Study Course Sheet" provided by Veritas (last page). Be sure to include the following:
 - Numeric Grade per semester (not percentages, DO NOT average the two semesters)
 - Number of hours spent on the subject (60 hours = ½ credit/ 120 hours = 1 credit)
 - Two (2) Examples of Assessments (Test, Quiz, Short Essay, etc.)

NOTE: For Physical Education/Music lessons, please attach a log of hours with activities listed. High school courses taken in 8th need to be included.
- SCAN and Email all documentation to transcripts@veritasschools.com Do not send photos.
4. School Documentation - If a course was taught and completed at a local school or through a program that is accredited, please ask the institution to send us a Report Card or Transcript with all of the relevant data (courses, grades, dates, etc.). Email to: transcripts@veritasschools.com or Mail to: Veritas Classical Schools
12460 Crabapple Road Suite #202-270
Alpharetta, GA 30004
 5. Credits - Through instructional time, a student must accumulate **120 hours per year per course for 1 Carnegie Unit or 60 hours per semester per course for ½ Carnegie Unit**. A student is required to have a minimum of **24 credits** (or Carnegie Units) in specific courses to graduate from Veritas. Students are also expected to have a minimum of four (4) HOPE Rigor Courses.
 6. Veritas requests that all incoming seniors send their course information to the school during the summer BEFORE their senior year. This will allow us time to enter data and create a transcript to keep on file. This will be important as seniors start to apply for colleges, seek dual enrollment and HOPE Scholarship funds, etc. Please do not wait until the last minute to provide us with this important information. **Transcripts take a minimum of two (2) weeks to complete.**
