What is dual enrollment?

Dual enrollment allows students to take college courses in lieu of high school courses. The courses provide dual credit -- fulfilling high school graduation requirements as well as credits toward a college degree. In Georgia, dual enrollment costs can be covered under the Move On When Ready (MOWR) scholarship for students who qualify.

What are the benefits?

- Start your college coursework and transition to university life while still having the support of family, friends & familiar surroundings.
- You decide how many college courses to take -- from one course to completing your entire freshman year of college while still in high school.
- Choose from a variety of college courses that will apply toward your college core, including honors classes. College courses transfer to other institutions if college is not your ultimate destination.
- State funding covers tuition and many fees, making a way for families to reduce the cost of a college education. Funding is non-needs-based.

Find out more: Attend an information session at the college of your choosing!

Interested sophomores, juniors and their parents are strongly encouraged to attend an information session for more information about admissions, course options and funding.

How do I apply? Apply online to your college of choice

To be eligible for college's Dual Enrollment Honors Program, you must (on average- check with your college):

- Be a rising junior or senior
- Have a minimum 3.0 GPA in college-prep academic core classes (not electives)
- Have a score of at least 1100 on the Critical Reading and Math portions of the SAT combined (24 on the ACT), with a minimum score of 530 in Critical Reading (23 ACT) and 530 in Math (22 ACT). The essay portion of the SAT/ACT is not considered.
- Order your student's high school transcript from www.Parchment.com for the college

Reserve your SAT or ACT Testing date early!

You must take the SAT or ACT no later than December to ensure receipt of your scores by the admissions deadline. Make your reservations for the **earliest possible testing date** at www.collegeboard.org (SAT) or www.actstudent.org (ACT) in case you need to re-test. Use our school code – 110-068 – to make sure that

scores are sent to the school office. You will also need to have the scores sent directly to the college(s) of your choice.

APPLY for DUAL ENROLLMENT (formerly MOWR) Scholarship

After being accepted into a college dual enrollment program, you will need to apply for the dual enrollment scholarship and submit your list of college courses to your high school guidance counselor.

Go to www.GAFutures.org and have your student create an account. Your student should be actively involved in this process and know passwords, etc.

Then, go to the dual enrollment portion of the website and complete the ONLINE application. Paper applications will not be accepted by the school office. Choose **Veritas Classical Schools of North Atlanta** as your high school. You will need to type the entire name.

DUAL ENROLLMENT Student Participation Agreement

<https://www.gafutures.org/hope-state-aid-programs/scholarships-grants/dual-enrollment/>

As part of the process, every student must complete this form and turn it in at the time of college registration. Please note that this form needs to be signed off on by a school official. Dave Kinsey, Bev Kinsey and Diane Uplinger have the authority to sign off on the form. Please be sure to complete the entire form (except for school signature portion) BEFORE you ask for the school to sign. Also, please note that due to having multiple campuses, you will need to make arrangements IN ADVANCE to have this document signed. Please do not wait until the last minute. We suggest that you make a copy of this signed form BEFORE sending it to your college. You can scan and email the form to diane@veritasschools.com or you can have the Kinsey's sign the paper form on campus. Note: Do not take a picture with your phone. It will not print properly for the signature. You can use a free app called ISCAN (or something similar) on your phone and it will create a PDF that can be emailed for free.

NOTE – It is your responsibility to contact the Veritas office. The college will NOT contact us on your behalf.

College Transcripts and Grades

At the end of each semester, it is your responsibility to request that your college transcript be sent to Veritas.

Please have the transcript sent by email to Diane@vertiasschools.com OR mail to:

Veritas Classical Schools

Guidance Office

12460 Crabapple Road #202-270

We appreciate your assistance in completing the DUAL ENROLLMENT process!

Questions? Please contact Diane Uplinger at diane@veritasschools.com

Some of the colleges that our Veritas students have attended for dual enrollment:

Toccoa Falls College (online)

University of North Georgia

Georgia State (formerly Perimeter)

Truett McConnell College

Lanier Tech

Gwinnett Tech
