

# Veritas Classical School with Out of the Box Art Studio

Fall after school classes and/or at home art kits 2020

We are looking forward to creating with you this Fall. We have classes in person at the **Tapestry location** as we have the last 14 years on Monday, Tuesday, and Wednesday. We will also offer the SAME (and more online soon) Art kits in case you would prefer to order our wonderful art projects for home use. Just like our classes, our kits have everything you need to complete each project. Visit our “art kit” section to see what we are offering for September and October.

If you are attending the workshops after school they will be 2 hours each month. Rest assured we are prepared to make sure everything is sanitized, our instructors wear masks/ shields, and all supplies are in individual bags for your child to use. We have reduced our class limit is 10 MAX. Register online at [www.outoftheboxartstudio.com](http://www.outoftheboxartstudio.com) (you may come to any day age appropriate)

We will send November and December out in Late September. Please register online by August 15<sup>th</sup>. Classes begin September 14<sup>th</sup>-16<sup>th</sup>. We cannot wait to create with you again!

## September

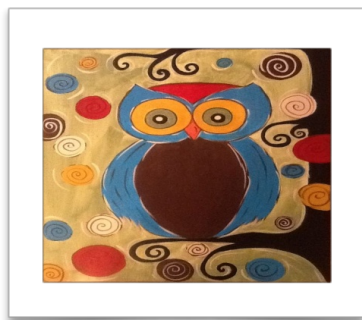

### Fall Wood Barn

Monday Sept 14<sup>th</sup>

2:10-4:10
